

# Welcome to Greensboro Radio Aeromodelers

AMA Charter 481

## Come Fly With Us!

The Greensboro Radio Aeromodelers (GRAMS) Club is made up of people just like you. We may be standing on the ground but our minds and imaginations are in the air. We love aviation!

If you are new to the hobby, you are starting off in a great way—research. You got this sheet in a hobby shop, at our field or on our website. Learning to fly radio control (RC) successfully is best done with help from these resources. They will point you to the most important resource of all—an instructor. There is a reason the trainers used by the Air Force have two seats! Using an instructor minimizes crashes and maximizes your education. You will learn more and have a lot more fun.

If you are an experienced flyer coming from another club or site, we hope you will find our club a good fit. Our club is more than 50 years old. We have a young site and continue to develop it into a nice sport facility. Our club is full of helpful, friendly members. We fly a lot of different aircraft using glow, gas, and electric power. We are helicopter- and 3D-flight friendly, too. We have builders, sport and competition pilots, and everything in between. You will be among friends!

## Club Hours

GRAMS' Club site is located among some neighbors, including a church. In order to keep the peace (and the field!), we do not allow any flying before 12:30pm on Sundays. Otherwise, flying activity is fairly open, including electric night flying. The field is in use nearly everyday, weather permitting. Check out the Club Rules on the website for more information.

## Club Meetings

The membership of GRAMS meets once a month. Generally, the meeting times are in the evenings during the week. We meet at different locations depending on the time of year. Sometimes food is involved! We communicate meeting times using email, letters, and the website.

## Academy of Model Aeronautics (AMA)

You must hold a current AMA license to fly at GRAMS. For more information contact:

Academy of Model Aeronautics  
www.modelaircraft.org  
ph: 765-287-1256  
fax: 765-289-4248

You can also pick up AMA applications at your local hobby shop.

## Club Dues

GRAMS Dues are \$70 annually plus a one time \$50 field assessment fee. We offer discounted fees for seniors, family memberships, and trial memberships. Contact an officer or see our website for more information about joining GRAMS.

## Join The Club

To join GRAMS, go to our website **[www.greensbororadioaeromodelers.com](http://www.greensbororadioaeromodelers.com)** and click *Join The Club* in the left navigation panel. Download the New Member Packet and follow the instructions. You can find other club and general info on our website as well. Please visit!

If you have any questions, concerns, or comments, please feel free to email Scott McKee, Club President, at [mckeesl@earthlink.net](mailto:mckeesl@earthlink.net) or call 336-288-9291.
