

WTF—What's That Frequency :)

Ever get a radio that has the frequency tag but not the channel? Most people don't use the little flags that go on the antenna. You are supposed to, you know! But, if yours is missing, or you are helping someone with an old radio and you don't know which pin to get, print this page on card stock, laminate it and keep it in your flight box or transmitter case.

Aircraft Channels & Frequencies

11	72.010	36	72.510
12	72.030	37	72.530
13	72.050	38	72.550
14	72.070	39	72.570
15	72.090	40	72.590
16	72.110	41	72.610
17	72.130	42	72.630
18	72.150	43	72.650
19	72.170	44	72.670
20	72.190	45	72.690
21	72.210	46	72.710
22	72.230	47	72.730
23	72.250	48	72.750
24	72.270	49	72.770
25	72.290	50	72.790
26	72.310	51	72.810
27	72.330	52	72.830
28	72.350	53	72.850
29	72.370	54	72.870
30	72.390	55	72.890
